Q Search

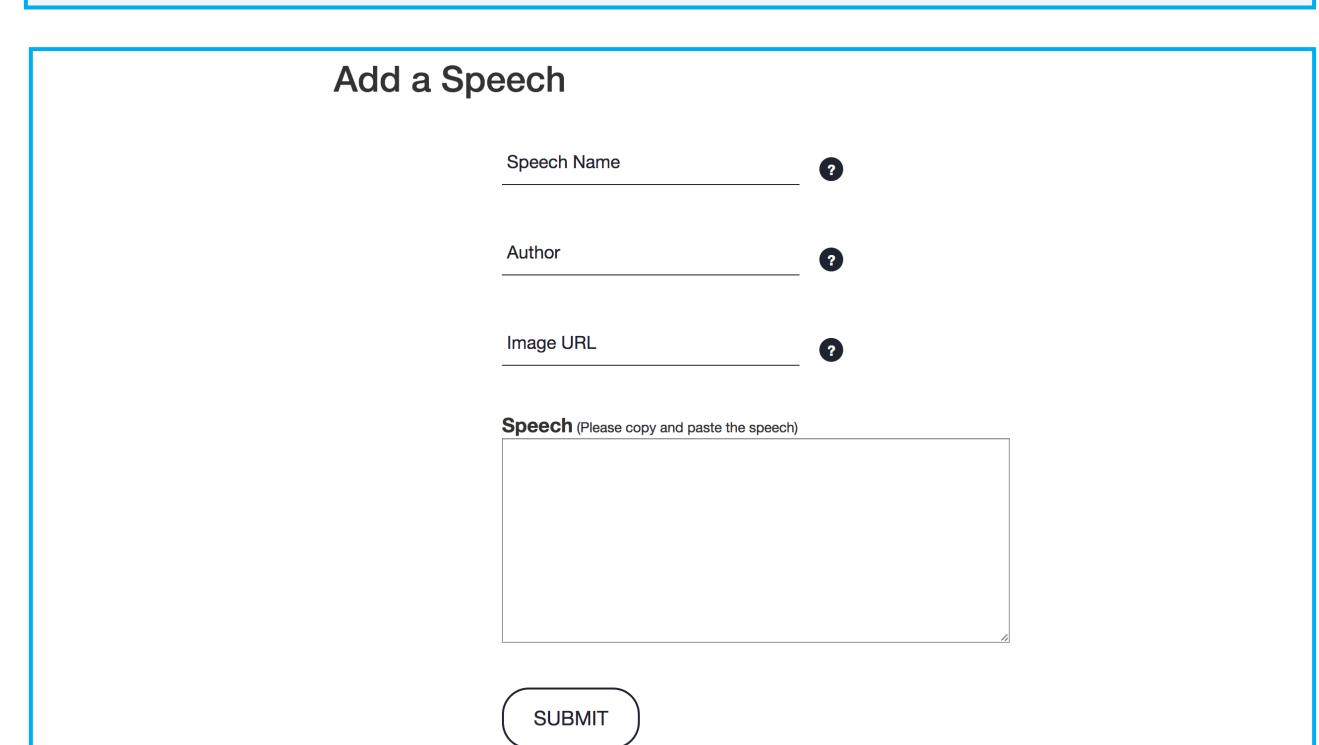

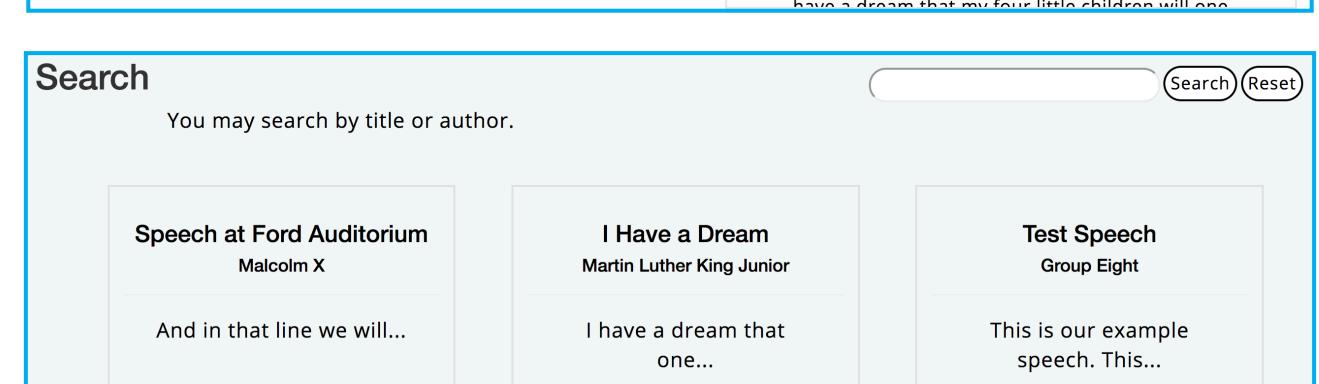

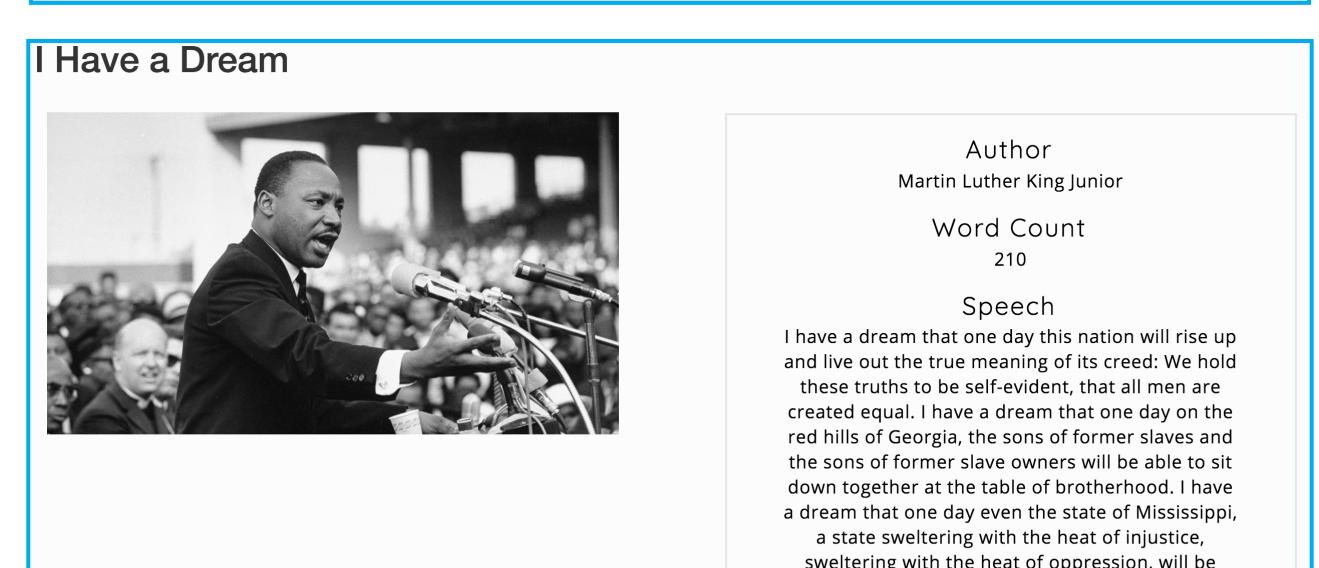

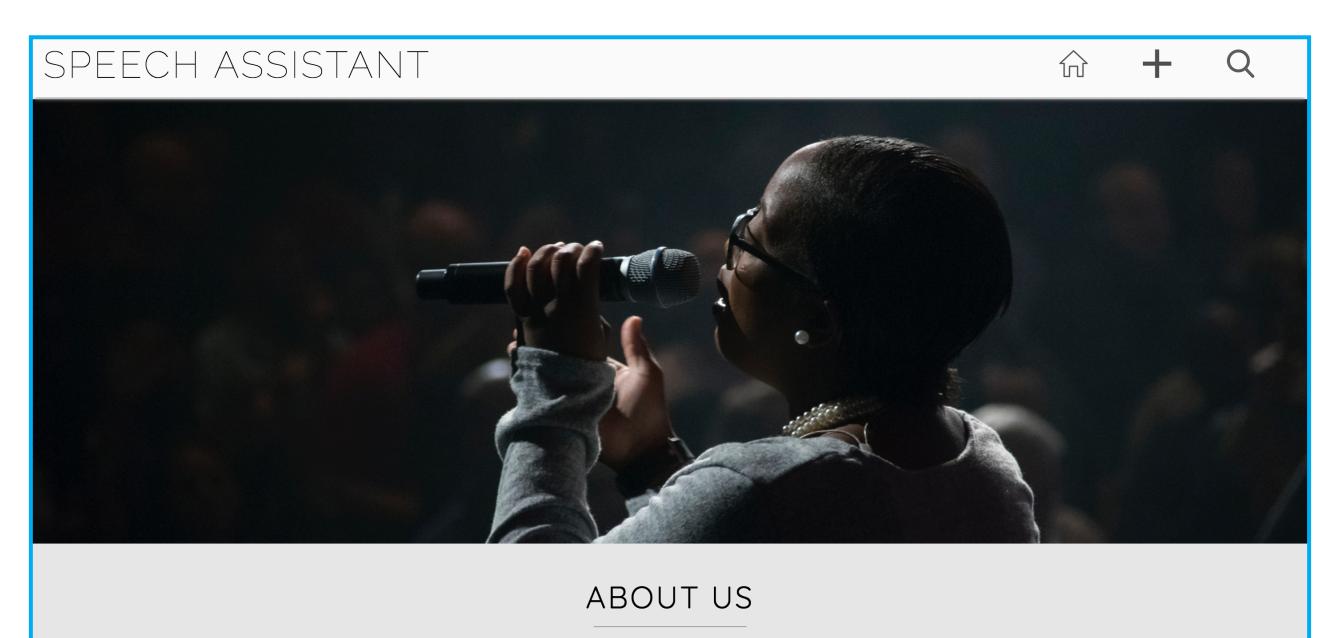

'' Recite

via our web app

"Speech Assistant,
what speeches do
you have?"

"Speech Assistant,
I want to practice
'I Have a Dream'."

HIGH FIDELITY

MEDIUM FIDELITY

- > decided for web app over mobile app -- greater usage
- > removed banners on add speech and speech pages
- > deleted instructions page -- created simple layout
- > deleted speech analysis page -- Alexa provides analysis
- > iterated on design quality -- minimalistic & intuitive

LOW FIDELITY
